Dear "Captain Scott",

Thank you so much for the very enjoyable cruise on your wonderful yacht, the "Donna Leigh". Your craft was comfortable, and accommodated our needs. You piloted her with ease and grace and were very personable and welcoming to all. Not only was the cruise enjoyable and fun, but it was truly a teambuilding experience for our task leads. I highly recommend your cruise to other organizations looking for a new and different way to encourage and reward their team.

Thanks again!

Sincerely yours,
